Study at **UPOU**

from anywhere in the world.

University of the Philippines
OPEN UNIVERSITY

About
UPOU

Established on 23 February 1995, the University of the Philippines Open University (UPOU) pioneered online teaching and learning and continues to play a leading role in the study and practice of open learning and distance education in the Philippines.

UPOU is envisioned as a leader in teaching and learning in the digital age, helping to equip Filipinos with the knowledge and skills they

Why Choose UPOU?

QUALITY EDUCATION
UPOU is the country's leading university for Open and Distance eLearning (ODeL), ensuring it delivers uncompromised quality education that equips learners with the skills and knowledge needed to excel in their career and beyond.

INCLUSIVE
UPOU upholds the value of providing open education to anyone. No matter what circumstances in life, one can enroll in the university and access quality education.

ACCESSIBLE
UPOU offers accessible online courses designed to integrate into any kind of lifestyle, allowing learners to pursue academic excellence anytime and anywhere.

FLEXIBLE LEARNING
Explore education on your terms—study at your own pace, at your preferred time, from anywhere in the world. UPOU offers online courses, making it an ideal choice for individuals who cannot attend classes in person on campus.
